Water Rail Way, Southrey - Stixwould

Countryside for all In Lincolnshire

The Water Rail Way follows the bank of the River Witham and is on the track bed of the railway line which travelled from Lincoln to Boston.

This leaflet covers the stretch from Southrey to Stixwould. The tarmac route travels for a number of miles from both the start and finish of this route. There is a width restriction to access the site of 1.6 metres. The minimum width of the route is 2.6 metres.

The route along the river is home to a wide variety of bird life and there are also sculptures along the route.

WATER RAIL WAY

Map Scale
250 m

Only slopes with gradients over 1:25 and cross-slopes over 1:33 are shown on the maps.

Paths are at least 1 metre wide unless shown otherwise.

Guide to gradients and cross-slopes:

1:4		25%
1:12		8%
1:25		4%
