You can book by contacting me:

loubullen@yahoo.com 01790 763014 07941376934

I look forward to seeing you soon,
Louisex

Shadow applique – also known as shadow quilting is a technique where an applique design is overlaid with sheer or translucent fabric or sandwiched between two layers of sheer fabric; creating a shadow effect. This produces an elegant design that has an inherent softness due to the shadowing created during the layering process. You will use organza for the sheer overlay.
